

Divita Singh, Advocate, Punjab and Haryana High Court gave an extension lecture on 25.11.22 on the topic "Prospects of legal profession for girls in India" organized by the Career Counseling and Placement Cell to 110 students. She focused on the especial challenges that women in the legal field have to face owing to the male dominated landscape. She talked about her motivations for entering the legal field and cited 'empowerment' as the primary one. In her opinion, the law provides an effective tool for women to not only understand their rights but also get them enforced by the State.

Dr. Ujjwal Sharma, Ex Principal, Hindu Girls' College, Jagadhari, gave an extension lecture on 17.03.23 on the topic "Importance of communication skills for career progression" to 120 students organized by the Career Counseling and Placement Cell. She focused on the 4 fundamental principles of good communication: Reading, writing, speaking and listening. She underlined the importance of communication in avoiding misunderstandings, developing strong relationships, in addition to boosting employees' morale at the workplace
