

### **7.3 Institutional Distinctiveness**

Our college is renowned for its contribution in the field of sports. Many international, national and inter-university players have been produced by the college. They bagged many awards in their particular games and brought laurel to the college. Our institution got second, third and fourth place in the fray of overall championship of Kurukshetra University, Kurukshetra and remains in the first four positions amongst the colleges affiliated to KUK. Our players have been honoured by KUK with cash award for their contribution in winning MAKA Trophy for the university. Our Principal and Associate Professor in Physical Education have also been honoured many times by KUK for their contribution in the field of sports. Sports are the basic pillar of this institution. To promote more and more students in sports, we enrol sports students with very nominal fee and also honour them with cash awards on the basis of their achievements.
