

A meeting of IQAC conducted on conference call 2nd may, 2020 during pandemic Covid-19.

During this ongoing pandemic it is challenging to motivate all the staff members and students to be the part of all the academics as well as other co curricular activities. some following decisions are taken.

1. Online workshops / competitions / other activities and development programmes should be initiated by various departments of the college to engage the students and teachers both during this tough situation.
2. All the teachers are suggested to attend the online Faculty Development Programmes to orient their knowledge and skills.
3. College would contribute to the society during the ongoing pandemic by mask making and by awareness webinars.
4. Workshops for soft skill development/ ICT should be organised for teachers as well as students both.
5. Students would be encouraged to take part in all online activities.
6. Campus cleanliness and sanitation will be of prime importance.
